

BASSO

1/2" Impact Wrench

- Ergonomics housing design.
- Uphill soft grip provides comfortable holding even for long time operation.
- Handle exhaust directs air away from workpiece and operator.
- Energy efficient motor for maximum performance & long life.
- Optional 360 degree air inlet swivel keeps air hose from being twisted and kinked.

APPLICATION:

Small engine repair and transmission, body shop, farm, light truck, overall automotive service.
